Dear Mrs Rinehart

## **Thank you**

It is with great pleasure that I write to thank you for your incredible donation of \$2,000,000 to support our work during the COVID-19 pandemic. We have read and understood the terms of this incredibly generous contribution towards improving our preparedness to face this health challenge. I enclose a tax-deductible receipt for your records.

The support from the Rinehart Medical Foundation ensures that the Flying Doctor can continue to be there in times of emergency and to undertake hospital transfers during this unprecedented time. With your help, we can better provide vital medical care to communities in the Outback that would otherwise go without.

I want you to know that your support means the world to the RFDS and to those on the frontline - our nurses, doctors, pilots and clinicians who are working hard every day to be there for us all.

On behalf of the Flying Doctor and our patients, thank you once again for helping us take the finest care to the furthest corner of Australia. We simply couldn't do it without you.

Yours sincerely,
