### Perth Royal Dairy Awards 2022 – Bannister Downs Dairy Shines !

Bannister Downs Dairy is very proud to share the news that for the second year running, we have been awarded the trifecta of **CHAMPION MILK**, **CHAMPION FLAVOURED MILK**, and **CHAMPION CREAM** at the 2022 Perth Royal Dairy Awards, hosted by the Royal Agricultural Society (WA).

The title of **Champion Milk** was awarded to Bannister Downs Dairy's **Non Homogenised Milk** in its traditional glass bottle with the prized cream on top and was very closely contested by our Farm Fresh Milk, which was also awarded a Gold medal.

**Choc Cherry Delite** once again received the **Champion Flavoured Milk** accolade providing proof that low fat products can not only be good for us, but also delicious. Spearmint Blitz also claimed a Gold medal in the same category.

Our delicious, pure, **Fresh Cream** had the honour of being declared the **Champion Cream** again for 2022 only just ahead of our very popular Double Cream which was also awarded Gold.

In addition, we are very excited for our local manufacturers using our fresh milk and cream as their main ingredient, and entering their delicious products into the Perth Royal Dairy Awards. They were all very successful in receiving outstanding awards –

*The Butter People* – Champion Butter and medals for all three of their butter varieties;

*La Delizia Latticini* – over 6 Gold Medals for their fresh Italian style cheeses (including their famous burrata)

*Mai Tardi Gelato* – awarded multiple Gold and Silver medals across their specialty gelato range in a highly competitive category (more than 60 product entries)

It was a superb result to receive either a gold or silver medal for every product in our range and particularly rewarding to achieve the **Champion product** in all categories where we were eligible. A great reflection of the effort and care that is made each and every day at Bannister Downs Dairy.
